

ThinkTWENTY20

Own the future...

Delve deeply into the issues of the day...

Artificial intelligence, big data, advanced analytics, blockchain, use of social media, and the unprecedented pace and volume of technological change, and more...

Then rise to the top, armed fully with the information you need to successfully manage the transformation of your profession and the way you work now and in the years to come.

 **ThinkTWENTY20** will give you the vision and insight to stay fully informed and up to date on the issues that are changing the way you work, market yourself and your services and keep you connected to your world.

 **ThinkTWENTY20** is the go-to place for financial thought leaders – people who like to think things through and who think deeply and creatively about how we can make the future ours.
